Additional Comments:

Your puppy has had all necessary vaccinations and worming required to date. He/she must receive his/her full set of shots, worming, heartworm and rabies shots as needed to stay healthy. Any puppy not receiving shots as recommended by your veterinarian will not be covered by this guarantee.

We extend our guarantee for specified hereditary problems for a period of two (2) years from the date of puppy's birth. Your puppy is guaranteed against hereditary problems of the eye, as certified by a canine eye specialist and hip dysplasia that would cause a painful, unhealthy, life or death. In the event of such a problem, we must receive proof from a licensed veterinarian that there is a genetic problem and that it is not the result of diet or environment. Males purchased as breeding stock, shall have both testicles by the age of one year. This guarantee covers replacement of the dog only, it does not cover any other fees incurred. Replacement will be from either a current litter or a future litter of puppies of the same color and sex. If animal is returned for replacement, the original registration papers must be returned as well.

In the case of a before mentioned hereditary problem, the puppy/dog may be kept as a pet with proof of spay/neuter and registration papers must be signed over to Leigh Mathena. If buyer decides to keep the puppy/dog in the case of a before mentioned hereditary problem, only half of the purchase price will be refunded.

If you and your vet decide it is in the best interest of the puppy/dog to be euthanized, Leigh Mathena must be contacted prior to this action being taken. The original registration papers must be returned. Replacement will be from either a current litter or a future litter of puppies of the same color and sex. This guarantee covers replacement of the dog only. It does not cover any other fees incurred. Replacement will be from either a current litter or a future litter of puppies of the same color and sex.

This guarantee is offered to the original buyer only. In the case of a sale or transfer of this puppy/dog, this guarantee is null and void. It is against this contract to sell or place this puppy/dog in a shelter or puppy mill. Should the buyer decide to no longer keep the puppy/dog, they must first contact Leigh Mathena for first right of refusal or placement options.

This puppy is eligible for AKC and/or ASCA registration. **Unless otherwise stated, this contract is made and agreed between seller and buyer, for a limited registration or companion dog. This puppy will be neutered/spayed by one year of age.**

No replacement will be given if this health guarantee has expired. Seller is not responsible for any veterinarian expenses or shipping expenses accumulated. This puppy/dog must be kept in good physical condition. All puppies/dogs must not be over exercised during their growth period. Any of the before mentioned will void this guarantee.

The buyer (or their representative) of a puppy/dog purchased from Leigh Mathena, hereby acknowledges that they have read and understand this document and accept the terms and conditions of the guarantee for

hereditary disorders printed in this document. Upon signing this contract, both buyer and seller certify they have read, fully understand, and agree to the terms of this contract.

This dog, to the best of our knowledge, is free from communicable diseases and has been vaccinated and dewormed regularly as outlined below:

Deworming: *2,3,4 weeks Nemex II 6 weeks Panacurd 5 days*

Vaccinations: **6 weeks Parvo/Distemper**
